The expression of what is called
disappointment

I feel extremely boring
There was music, there was hope, but things were boring
They were trying to make me forget what they gave me
I was playing at my work, I was sick, I was tired
I was afraid that the future I was about had the same

I think it's all a lie
Between with suspicious thought

And when the feeling coming
There's hope and there's love

And there's all my old relation
The way, I'll be there thinking out, I'll answer
We are here
