

## Nature Study Rubric

<i>Points earned</i>	<i>Total Points</i>	<i>Objective</i>
	/8	Completion of the drawing of a fruit, vegetable or leaf close up with clear color and detail on 8 in x 8 in drawing paper. The drawing fills most of the space available on the paper. Unless the object is hanging (like a fruit on a tree) there should be a cast shadow.
	/4	Value- Drawing includes a full range of values including highlight and shadow areas on the object
	/4	Color- Use of a variety of colors successfully layered together including analogous and complementary colors
	/4	Blending technique - smooth blending technique with burnishing (smooth, glossy effect accomplished by slowly building up layers and harder pressure with pencils)
	/2	Bonus: Include a background color which shows some degree of a gradient in your choice of color
